12 Nov 2007

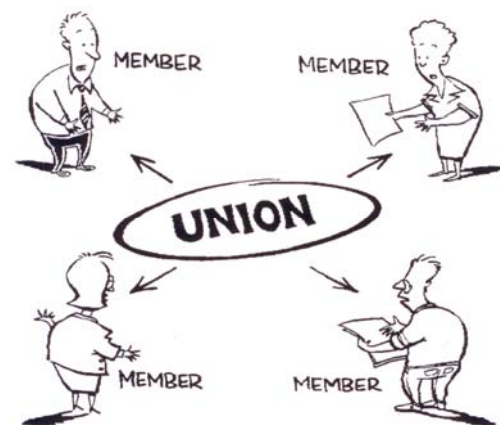

At the meeting held on Wednesday 7th Nov 2007, members approved the Department of Health's offer for the medical imagine new classifications operative date to be as from 1st July 2007.

The meeting was concerned at the Department of Health's decision not to include nuclear medicine technologists and radio therapists as part of the reclassification process.

The meeting expressed support for nuclear medicine technologists and radio therapists groups and instructed the HSU to negotiate with Department of Health on the inclusion of these group of health professionals in this process.
